DETAILED ACTION

The submission of amendment filed on 2/14/2005 is acknowledged. At this point claims 1-20 have been canceled and new claims 21-31 have been added. Thus, claims 21-31 are at issue in the instant application.

Allowable Subject Matter

Claims 21-31 are allowed.

The following is an examiner's statement of reasons for allowance:

Referring to Claim 21 the prior art of record fails to show a flashlight structure having a housing having a plurality of heat sinks located on a periphery thereof and a base inserted into an interior of the housing wherein the base is located adjacent to the plurality of the heat sinks.

Claims 22-31 are allowed as claims depended on claim 21.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
